What is Insurance?

Insurance is a system based on social cooperation that helps reduce financial losses affecting people and their property.

What is Motor Vehicle Insurance?

Motor vehicle insurance provides financial protection against losses arising from motor vehicle accidents, including bodily injury, death and property damage, subject to the terms and limits of the insurance contract.

What is Third-Party Motor Insurance?

Third-party motor insurance provides cover for liability arising from loss or damage caused by an insured vehicle to a third party, including bodily injury, death or property damage, subject to the terms and limits of the policy.

What is Comprehensive Motor Insurance?

Comprehensive motor insurance may, subject to the terms of the policy, cover loss or damage to the insured vehicle as well as liabilities arising from the vehicle toward third parties, including bodily injury, death or property damage.

Benefits of Motor Vehicle Insurance

- Reduces the individual's financial exposure to losses
- Supports economic growth and employment
- Promotes financial stability and peace of mind
- Supports greater responsibility and social protection
